The boys will arrive on 5 July and will be hosted by families until the 12th. The families will pick them up at Caselle airport (Turin) or at the Porta Nuova/Porta Susa train station in Turin. On the 12th they will be accompanied by their host families to the Camp, whose location is 'La Casa del pellegrino' in Villanova d'Asti near Turin, where the opening ceremony of the Camp will take place, to which will be invited the Governors of the three districts, the host families, all the members of the Lions/Leo clubs who will enjoy the youth exchange experience and, of course, the Camp staff. The camp will end on 25 July when the young people will be accompanied by the staff to the various starting points.

The camp programme will be subject to change. The locations we will visit are all situated in the three regions of Valle d'Aosta, Liguria and Piedmont.

The young people will have to prepare a presentation on the state and the city they come from to be shown on a computer. The Camp Fee must be paid upon arrival at the Camp on 12/13 July.
