District 108 Tb

## **The Youth Camps and Exchange Program (YCE)**

*The Youth Camps and Exchanges (YCE) programme is present throughout the world and is designed for young people between the ages of 15 and 22 with the intention of creating and promoting a spirit of understanding between the peoples of the world.*

*By providing a tool for global fellowship, the YCE programme aims to help young people initiate, grow and maintain international relations by promoting knowledge of other cultures and international peace.*

## Lions Campo Emilia: An Inclusive Youth Camp

*Lions Camp Emilia has long been part of this programme and in recent years has decided to become an **inclusive camp for blind or visually impaired children.***

*The aim of this **collaboration between Lions and the Italian Blind Union is to promote understanding and inclusion by trying to break down those barriers, especially mental ones, that often divide and do not unite.***
