"INDIA GEN-ALPHA CAMP 2025"

→ 18th July 2025 to 9th August 2025
Arranged by : Lions India Dist. 3231-A4

Unity in Diversity

This is not just a slogan it is a way of life for us Indians! it reflects everywhere demographically as well as culturally. We have massive snow clad Himalayas in the north, the beautiful desert of Sahara in the west, and breadth taking lush greenery in the south.

The rich and varied culture of India has been influenced and shaped by a history that is several thousand years old. Nowhere in the world would anyone find so much of diversity, yet be held together by some unspoken emotions that bind people of this country together.

The primary focus of our camp is to introduce the youth to this reach and diverse heritage of India.

We invite you to come and visit this beautiful country, to see and experience for yourself the miracles it beholds, and to be swept away by the stunning beauty of the land. We Indians believe in the ancient Sanskrit philosophy of “Atithi Devo Bhava” translated as “Guest is God”

Activities

youth will be taken to different cities of India there will be team building sessions tracking campfire international cuisine day games and cultural performance in the camp
